

Model 333

Hot-Water Pressure Washers

North America's #1 Brand of High-Pressure Cleaning Equipment

Electric

Competitively priced entry class hot water high-pressure cleaner. Innovative upright design ensures good mobility and ergonomics. Very user-friendly with one switch operation and areas for hose and accessory storage.

Heater coil carries a 5-year warranty

Large **fine mesh filter** protects against dirt particle damage in burner fuel system

Exhaust **temperature sensor** offers protection against overheating

Auto start/stop protects pump when trigger gun is not in use

Efficient **heat exchanger** for low exhaust emissions and minimal operating costs

Downdraft burner is 92% efficient and offers 25% less fuel consumption

Tilting aid for easy transport; can be moved in a horizontal position within compact vehicles

Easy **control panel** centrally located with three modes Off/Cold/Hot

Optimally positioned **handle** allows unit to be pushed and pulled easily

Axial pump carries a 7-year warranty

33-ft high pressure hose

Power cord hook for fast storage

Water filter efficiently protects the high-pressure pump against contamination and is easy to remove from the outside

Easily accessible **fuel tank** means less spills when filling - fuel level indicator to indicate when fill up is needed

Safety lock prevents fuel loss during transport

Puncture-proof **flat free tires** makes for easy maneuvering on any terrain

Downstream **detergent injection**

3-position **adjustable nozzle:**

	High pressure circular spray (0°) for specially stubborn dirt
	Flat low pressure spray (CHEM) for operating using detergents or cleaning at low pressure
	High pressure flat spray (25°) for large dirt areas

FEATURES

- 1.7 GPM @ 1200 PSI
- Oil Fired Heater
- Axial Pump

MODEL 333 Hot-Water, Electric Pressure Washer

■ Oil Fired Heater

■ 1.7 GPM @ 1200 PSI

■ Compact footprint for easy storage

Mobility at its finest.

DON'T FORGET THE SOAP!

Hotsy pressure washers clean best when matched with specially formulated Hotsy detergents. Nearly all contain Hotsy's exclusive advanced-formula HCC additives to help prevent scale build-up and to fight corrosion in your equipment. All are highly concentrated, so a little goes a long way.
